READING LIST

**15 BOOKS THAT
SHAPED HOW
I BUILD**

WELCOME

Hi friend,

These are the 15 books I've found most helpful while building my businesses from zero. It isn't a list of the greatest books ever written. It's the ones that actually changed how I think, sell, and work.

I read a mix of physical books and eBooks. But because my [Kobo Libra Colour](#) can carry far more than I can practically carry or neatly store (I move around a lot), I lean toward reading on the Kobo more often than not.

I hope at least one of these ends up being as useful to you as it was to me.
